THE WORD IMPLANTED

ADULTS - 9:30 AM

 **Firm Foundations**..... Dave Witherell
Room 201

This study is designed to lead us into a better understanding of God, man's relationship with Him, and the grace He has made freely available through the death of His Son. Moving from Genesis through the life of Christ, you will see God's plan of redemption unfold.

 **The Book of Job**Mark Addesa
Room 104-106

"Where was God when...?" is a question that is often asked at a time of tragedy. At times it is asked with a longing to understand; other times, out of anger. The Book of Job is a treasure for those who struggle, like Job, to understand. Consider: "Will I love and serve God, no matter what?"

Fireproof & the Love Dare Pastor Cobb
Sep 2 - Oct 21; Room 205

We present the popular new movie *Fireproof*, from the team that brought us the #1 best selling DVD *Facing the Giants*. This is a movie with a strong agenda: stay married, lead an honest life, and let your faith in Jesus Christ transform you AND your family.

Then, beginning September 9, we will work through "the Love Dare," a challenge to sacrificial and unilateral God-like love. The Love Dare is a 40-day guided devotional experience that will lead your heart back to truly loving your spouse while learning more about the design, nature, and source of true love. Each reading includes Scripture, a statement of principle, the day's "dare," and a journaling area and check box to chart progress.

This is not just entertainment. This is a dare to see your marriage change forever.
